Retail Tied-House Participation Statement

The Tied House law (RCW 66.28.010) allows licensees to conduct business in all three tiers: manufacturer, distributor/importer, and retailer.

This form identifies any other liquor licensed entity(ies) in which you have any financial interest.

Retail is any grocery store, restaurant, tavern, nightclub, etc.

Non-Retail is any winery, brewery, distributor, importer, or manufacturer.

Please complete, sign, and return this form. For questions, contact your investigator.

Do you have any financial interest (directly or indirectly) in any non-retail liquor business?

- a. Yes (If "yes," please complete page two)
- b. No (If "no," please sign and return this form)

By signing this form, I acknowledge my understanding of the above and any violation of this statement is cause for denial of a license, or revocation of any liquor licenses currently held.

Note: It is lawful for an industry member to have direct or indirect financial interest in another industry member or a retailer unless the interest has resulted in (or is more likely than not to result in) undue influence over the retailer or industry member, or has an adverse impact on public health and safety.
