BULLETIN

TO: ALL STORES, AND CONTRACT LIQUOR STORES

FROM: Kimberly Ward, Buying Manager

SUBJECT: Alert Bulletin #060

Old Gift Sets-Over 6 months Old

For gift sets that have been in your store for longer than six months, the newly approved Product Distribution and Exit Policy allows stores to pull out the naked good, sell as the naked good, and discard the remainder of the gift pack. You may give the gift pack contents to a licensee or throw it away. They cannot be taken by employees.

In order to maintain inventory accuracy, you will need to:

1) Claim the expired gifts sets in damaged merchandise.

State stores, please process a claim in the damaged merchandise system by doing a LOSS using claim codes "Other." Please put the product description in the note field.

Contract Stores, please use claim code 16 in the CLSRS Damaged merchandise screen and send an email to Merchacct@liq.wa.gov stating which set you claimed. This email is crucial to getting your store getting charged correctly on the listed brand.

2) Do a reverse claim for the listed brand code in damaged merchandise.

State stores, do a GAIN using claim code "other" and please put the product description in the note field.

Contract Liquor Stores, add the "claimed" bottles in your inventory under the listed brand. Merchandise Accounting will do a reverse claim to charge your store for the listed item. (CLS's cannot enter a negative amount in CLSRS).

If you need assistance with entering claims, contact Merchandise accounting at Merchacct@liq.wa.gov.

Please contact your District Manager with any other questions.
